# Student Talent Can Win Money For Your School!

**We are looking for talented students to help honor our members at our Annual Membership Meeting event. Our theme this year is....**

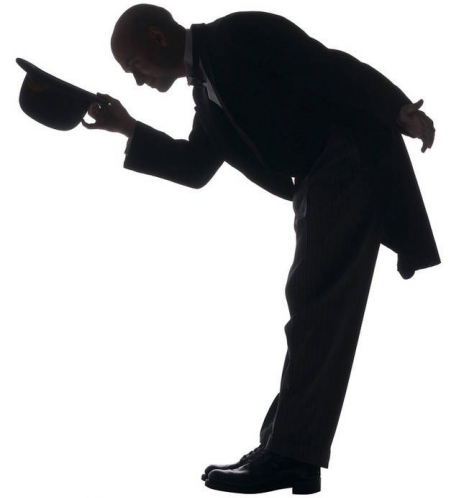

## *Do your students have talent?*

ASCIP is looking for talented students from our membership to provide entertainment for our public school district attendees at the ASCIP Annual Membership Meeting. We are seeking any type of creative talent—**Improv, Mime, Dance, Theatre, Magic, Poetry, Spoken Word, Music, etc.**

If selected to perform, a Grant will be awarded for your school program ranging from \$1,000 to \$3,000. While any talent will be considered, that which best depicts our theme - "**Hats Off To Our Members**" will be given greater consideration. We also encourage creativity!

Our event will take place **Friday, March 2, 2018** in the City of Industry area (*save the date*).

# *Hats Off To Our Members*
